PURVI BATRA

MERN Stack Developer

📧 purvibatra484@gmail.com   📱 9066691000   📍 Yamuna Nagar, Haryana   🔗 purvi-portfolio.vercel.app

PROFESSIONAL SUMMARY

Motivated MERN Stack Developer with hands-on experience building full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Proven ability to develop scalable RESTful APIs, implement secure authentication systems, and design responsive user interfaces. Strong foundation in JavaScript, database management, and version control with a passion for creating efficient, user-centric applications.

TECHNICAL SKILLS

Frontend: React.js, HTML5, CSS3, JavaScript, Bootstrap

Backend: Node.js, Express.js, RESTful APIs, JWT Authentication

Database: MongoDB, Mongoose, Database Schema Design

Tools: Git, GitHub, Postman, VS Code, Canva, Vercel, Nodemailer

PROFESSIONAL EXPERIENCE

Backend Developer Intern   July 2025 - Present
Elite Web Technology

- Developed and maintained RESTful APIs using Node.js and Express.js, ensuring scalable backend architecture
- Implemented JWT-based user authentication and role-based access control (RBAC) for enhanced security
- Designed and optimized MongoDB database schemas for efficient data storage and retrieval
- Collaborated in Agile environment with sprint-based development and version control using Git/GitHub

Frontend Web Development Intern   July 2024 - August 2024
IBM SkillBuild

- Developed responsive websites using HTML5, CSS3, and JavaScript with cross-browser compatibility
- Collaborated with development team to implement user-friendly interfaces and enhance user experience
- Participated in project planning, execution, and code reviews to maintain high-quality standards

EDUCATION

Master of Computer Application (MCA) - AI/ML Specialization | 2025 - 2027 (Pursuing)
Lovely Professional University
